

Thank you for signing up for the first in a series of MicroLaw Legal Technology CLE offerings with Ross Kodner (um, that's me!).

You'll be able to watch the CLE program from any Windows or Mac computer, or from iPad and Android tablets. You could try and watch the program from an iPhone, iPod Touch or Android phone but honestly, I personally wouldn't want to watch a CLE on such a small screen – it will be hard to read the information I'll be presenting.

The following are your instructions for connecting to and viewing the CLE program.

**Title:** “Increasing Cloudiness in Your Practice: The Hard-Core Reality of Legal Cloud Computing – Tips, Tricks, Cost Comparisons, Practical and Ethical Concerns”

**Date:** Friday, November 11, 2011

**Time:** 9:00AM Central Standard Time – our program should be completed in about 60 minutes – the presentation information will be on-screen about 5 minutes before the program's commencement – you'll see a welcome message when you connect

**Viewing and Listening to the Webcast:**

**PCs/Macs:** Go to <http://join.me/rosskodner> (for Windows and Mac systems)

**iPads:** Download the free Join.me app from the iTunes AppStore and enter the “rosskodner” meeting code when prompted (find the app here: <http://itunes.apple.com/us/app/join.me/id409811927?mt=8>)

**Android:** Download the free Join.me app from the Android Market and enter the “rosskodner” meeting code when prompted (app info is here: <https://market.android.com/details?id=com.logmein.joinme&hl=en>)

**Audio:** Call (209) 647-1000, passcode = 775483# (we use freeconferencecall.com for this service, if you're curious). Your audio will be muted during the call automatically.

- 
- Materials:** You can download the CLE materials in advance, as of 12PM CST on November 10, 2011 from: <http://www.microlaw.com/cledownloads.html>. Feel free to download and share the other CLE materials you'll find there – they are all in PDF format.
- Credits:** Per the original notice, we are not applying for CLE credit. Rather, there will be a code provided at the end of the program. To receive a Certificate of Attendance packet at the end of the program, please email [rkodner@microlaw.com](mailto:rkodner@microlaw.com) and include the subject line: "Attendee: Cloud CLE with Ross." By Monday you'll receive the download link for your packet which will include a description of the program you attended, a faculty bio, the program materials in PDF format, and also your Certificate of Attendance – you can then apply for credit in your licensed jurisdictions.
- Questions:** If you have questions you wish me to address either during or at the end of the session, please email them to [rkodner@microlaw.com](mailto:rkodner@microlaw.com) with the subject line: "Question – Cloud CLE" and then state your question in the email. I'll be monitoring these during the program.
- Cost:** **ZERO!**
- Audience:** Very diverse! We have attendees from all over the world joining us for our program, representing law firms and legal departments of all sizes.
- Join.me Info:** If you need it, here are information links about the Join.me service we are using for our webcast:
